

## Jubilee Clips in 316 Stainless Steel

The original Jubilee clip, the product that started it all! For the vast majority of applications this sturdy worm drive hose clip is more than suitable. Available here in 316 (18/10) grade stainless steel; this product also has a band that is continuously threaded enabling extra flexibility when adjusting the clip to the correct size. The smooth inside profile of the band and rolled edges give protection for all types of hoses including soft hoses made from rubber or silicone.

A (mm)	BW (mm)	BT (mm)	Rec. Torque (Nm)	Max. Torque (Nm)	Max. Pressure (psi)
