

## Bow Shackle

Bow Shackle - An 'O' shaped shackle as opposed to the 'D' shackle. The 'O' Shape allowing for more directional flexibility in the connection. Secured with a pin bolt, these are quick and easy to use and highly reliable when used correctly. Available in A4 marine grade stainless steel.

D	Length	A	R
4	16	8	14
5	20	10	17
6	24	12	21
8	32	16	28
