

T350 Hose Clips 5/16inch band in Stainless Steel

T350 series are tiny, tough and precision engineered for use in small diameter hose applications such as emission control, fuel line and vacuum hoses. Their slim 5/16" band and low profile housing make them easy to install in confined areas.

dim	inch	mm
a	0.64	16.3
b	0.312	7.92
c	0.07	1.8
e	0.05	1.3
f	0.40	10.2
g	1/4 hex	(6.4)
h	0.43	10.9
