

S Hook Asymmetric Shape

Asymmetrical S hooks made in marine grade A4 stainless steel, are strong and hard wearing. These have many uses, for example in marine applications with ropes and wires cable; and as hooks in kitchens, garden sheds and for horticulture.

D	Length	A1	A2	B1	B2
3	30	9	16	5	10
4	36	12	19	6	12
5	43	14	21	6	12
6	50	15	25	7	15
8	67	20	33	9	20
